

The Nation's Premier Total Carpet Care Service

Carpet Cleaning

No one gets it cleaner than the PCS professional cleaning experts. Our service specialists are trained professionals, ready to provide optimum service performance. Our exclusive "ProCap+" or "PowerRinse" cleaning systems deliver the solutions for to-day's maintenance challenges!

From loose seams and frayed transitions to bonded inserts (patching) and carpet stretching, PCS can do it and do it right.

Carpet Repairs

Keep your carpet and upholstery clean longer with this valuable protection against soil and staining. We recommend genuine 3M brand **Scotchgard**®...the most trusted name in the protection of your valuable carpets and furnishings. We also offer **Anti-Allergen** coatings to lower allergen reactions – leaving you and your staff with a healthier **Indoor Air Quality**. (IAQ)

Carpet Protection

Let us professionally clean and protect your upholstered furnishings & textile covered cubical dividers. After careful inspection and testing of the fabric, we use a combination of hand and machine cleaning with special solutions to make them look great.

Upholstery & Cubical Divider Cleaning

From red stains to rust, grease, tar stains, bleach spots, and cigarette burns, PCS utilizes the latest technologies to attain amazing results. Let us take a look and show you what we can do.
