Industry Recognition Local Company wins Gold at the Olympics of Carpet Cleaning

Issued by: Professional Carpet Systems, 4211 Atlantic Ave., Raleigh, N.C.

Professional Carpet Systems, owned and operated by Len Hume and Annette Marchionda, received an International Franchise Organization award as Market Penetrator of the Year for 2005. Professional Carpet Systems Niagara was awarded for generating most dollars per capita in this market than any other PCS franchise in the world.

Hume and Marchionda attribute their success to the outstanding team members and those members's commitment to value and quality in the work place. As well Hume and Marchionda know that this success is directly related to their loyal customers – the customers that year after year show their trust in Professional Carpet Systems by opening their doors and allowing them into their homes and businesses.

“We are thrilled and honoured to be the recipients of this prestigious award. This award reinforces the dedication and confidence our team members and customers have in this business. “

Professional Carpet Systems is now in it's 16th year of business providing **residential and commercial cleaning to the Niagara Region** with certifications in *Carpet, Upholstery, Water Damage, Repair and Re-install Services*. **Professional Carpet Systems is a member of the St. Catharines Chamber of Commerce and EthicalServices.com**. They can be reached at pcsniagara.com, 1-800-361-1919 for 24 hour Emergency Response Services or at 300 Welland Ave., Unit #3, St. Catharines, Ontario.
